Date: 20-08-2024

Dear Parents,

The successful launch of the Chandrayaan-3 on the south pole of the Moon on 23-08-2023 was a great achievement of the entire nation. Recollecting this great day, the government of India has declared August 23rd as the National Space Day. We are going to have various academic activities related to Space on this day. Please encourage and motivate your ward to participate in it actively.
